

The Elf Coloring Book

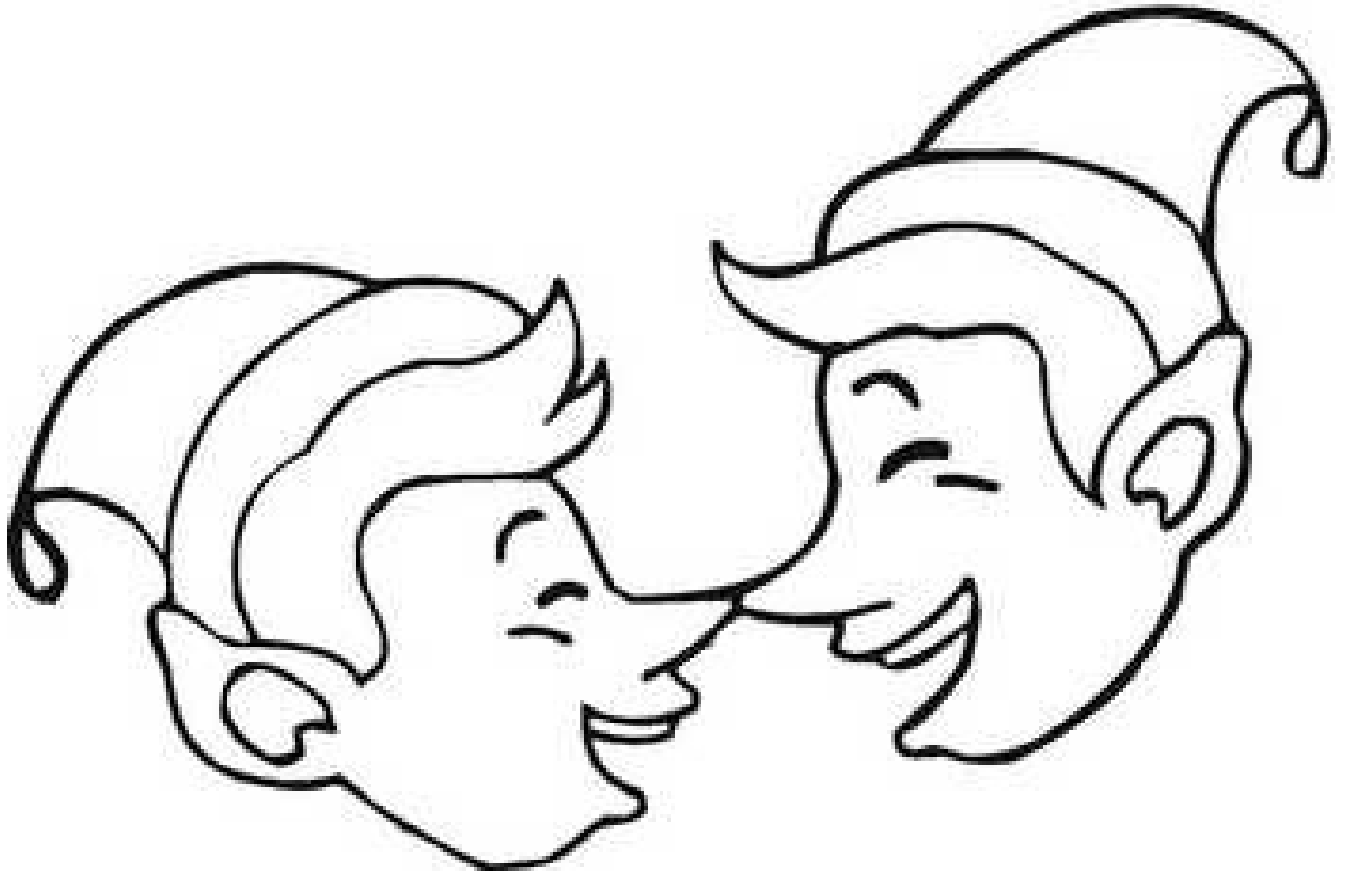

Hi! My name is Elf. Let's do some coloring.

**At Christmas time, my family likes to bake cookies.
Do you?**

**My friends and I get together and laugh and play.
Who are your friends?**

I help deliver gifts for Santa and my Mom.

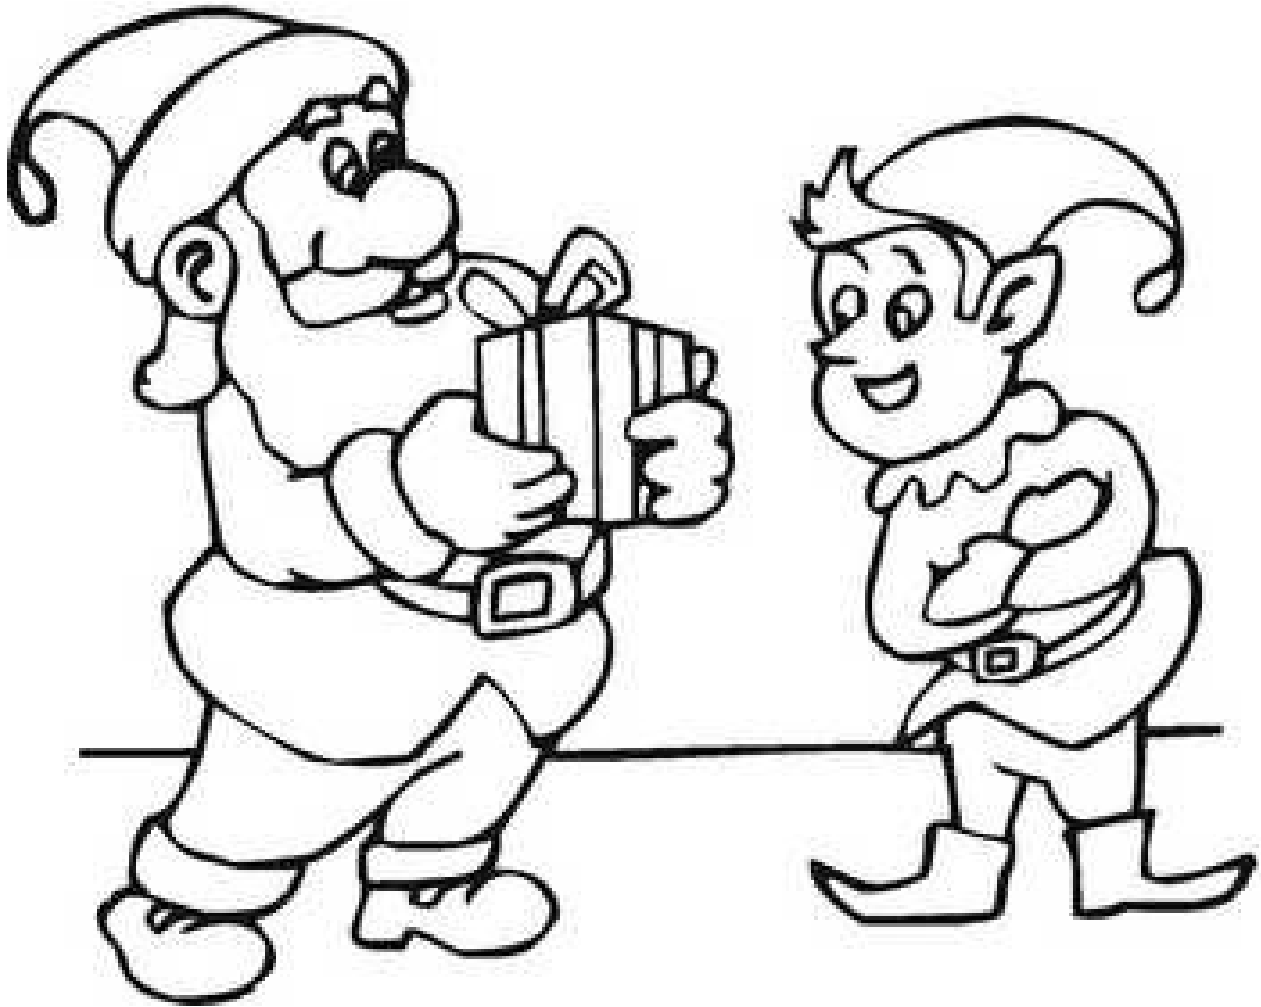

We have fun while we work. Sometimes I pretend to be Santa. How do I look with a beard?

Sometimes I get to play with the gifts before we wrap them.

**By the time we get all the gifts wrapped,
I'm pretty tired.**

**After all our hard work, Santa gives us a gift. It's
fun to give gifts -
and it's fun to get them, too!**

**I hope you and your family have a very
Merry Christmas!**
